**Re: American Cable Association (“ACA”) *Ex Parte* Filing on the CAF Phase I  
Incremental Support Program, WC Docket No. 10-90**

Dear Ms. Dortch:

On June 13, 2013, Ross Lieberman (ACA) and the undersigned, Thomas Cohen (Kelley Drye & Warren LLP), had a call with Carol Matthey, Amy Bender, and Ryan Yates of the Wireline Competition Bureau regarding the Commission’s recent Report and Order to provide a second round of Connect America Fund (“CAF”) Phase I Incremental Support Program for 2013.<sup>1</sup> We sought to clarify our understanding of three aspects of the decision: the application of the requirement for private sector “matching” funding, the amount of support to be provided in areas with copper-fed DLSAMs, and the reporting requirement when the original selection of census blocks is modified.

<sup>1</sup> *Connect America Fund*, Report and Order, WC Docket No. 10-90, FCC 13-73 (rel. May 22, 2013).
